

Make A Difference In Kids' Lives!

Laraway Youth and Family Services seeks flexible and creative people to serve as foster parents for children and youth.

If you understand that change is not easy, negative behaviors are opportunities to teach and that no one gets it right the first time...Then You could be a Foster Parent.

Are you calm and non-reactive? Do you have prior experience working with challenging youth? Do you have a good sense of humor? If so, being a foster parent or respite provider might be for you.

Applicants must be at least 21 years old, have a clean criminal record and a safe driving history.

Laraway Foster Parents receive:

A thorough interview, home study and orientation process;
Detailed crisis planning;
24/7/365 crisis and phone support;
Weekly in-home meetings;
A daily stipend
