Matthew Baughman joins Laraway Board of Trustees

Matthew Baughman, M.Ed., M.A., Principal of Coventry Village School, has joined Laraway's Board of Trustees. He comes to the Laraway Board with a heart for struggling youth and 12 years of experience in education, in both public and private schools.

"I'm excited to join Laraway's Board because I had my share of struggles as a young person," Baughman said. "I feel it's time to give back to at-risk youth in a different capacity than as a school principal."

Laraway Youth & Family Services is a non-profit organization dedicated to identifying and building on the strengths of children and youth with emotional, behavioral and mental health challenges, through alternative education, therapeutic foster care, therapy and public school based behavioral intervention supports.
